# GALLERY WALLS

# ART SOURCING & CURATION

The background of the entire page is a dark, monochromatic photograph of a wall covered with numerous framed black and white photographs. The frames are arranged in a grid-like pattern, though some are slightly offset. The photographs themselves depict various industrial and manufacturing environments. One prominent photo in the upper left shows a worker in a dark shirt and light pants standing in a large, open industrial space with high ceilings and structural beams. Another photo to its right shows a close-up of a person wearing a hard hat and safety gear, possibly operating machinery. Below the main title, another photo shows a complex industrial machine with multiple rollers and a conveyor system. The overall aesthetic is industrial and professional.
